

## Life Sciences Student Conference in Kiel 2016 – ...*apply now!*

Dear students,

**The call for abstracts for the 2016 Kiel Life Sciences Student Conference is underway.  
The deadline is Wednesday, the 26<sup>th</sup> of October 2016!**

On **Wednesday, 30<sup>th</sup> of November 2016**, Kiel Life Science (KLS), the exploratory focus of Kiel University is organizing the fourth Life Sciences Student Conference in collaboration with Life Science Nord. As in previous years, the venue is the Kiel Science Centre (Fraunhoferstraße 13, 24118 Kiel).

**You are invited to send us abstracts of your project, bachelor's, master's and doctoral thesis (dissertation not yet completed) and apply to give a talk or make a poster presentation.**

Please send your abstract (incl. a note if you apply for a poster or a talk) by email until **26<sup>th</sup> of October 2016** to [kraeutner@lifesciencenord.de](mailto:kraeutner@lifesciencenord.de). Please note: There will be 8 talks only. All applicants who do not have the chance to give a talk apply herewith to prepare and present a poster instead.

The following information needs to be in the heading of the abstract:

- Name of student / young scientist
- Subject
- Specialist field, Name of supervisor
- Study work/dissertation/bachelor's thesis/master's thesis

We recommend the following breakdown: goal, methods, results, conclusion.

The abstract should not exceed one DIN A4 page and should be sent in WORD format (Arial font, 11 font size).  
**The deadline is Wednesday, the 26<sup>th</sup> of October 2016.**

During the conference, **eight students will present their projects as talks lasting 10 – 12 minutes each.**

In addition, numerous works will be presented as **posters**. A jury of experts will select the presentations and posters.

Prizes will be awarded for the most interesting contributions at the end of the conference:

**3 prizes for talks: 1: € 500; 2: € 300; 3: € 200**

**3 prizes for posters: 1: € 300; 2: € 200; 3: € 100**

The conference will be accompanied by an industrial exhibition at which various companies from the region will be present. During the long lunch break, you will have the opportunity to make contact with potential employers in an informal setting.

Participation in the event and refreshments are free of charge. Life Science Nord and Kiel Life Science (KLS)/Kiel University are the joint organizers.

You may also forward this email to interested fellow students and colleagues.  
We hope for broad participation and look forward to receiving your abstracts!

If you have any questions, you can contact Markus Krätutner by phone (040 - 471 96 – 415) or e-mail: [kraeutner@lifesciencenord.de](mailto:kraeutner@lifesciencenord.de).

Kind regards,

Markus Krätutner
