

Nanotechnology and Innovation in the Baltic Sea Region

The logo for NIBS (Nanotechnology Innovation Baltic Sea Region) features the letters 'NIBS' in a bold, dark blue, sans-serif font. The letters are contained within a light blue circular shape that has a thin white outline. To the right of the circle, there is a stylized molecular structure composed of blue circles of various sizes connected by thin lines, resembling a network or a chemical structure.

Nanotechnology | Innovation | Baltic Sea Region

4th International Annual Conference

June 24 – 26, 2020

Hamburg, Germany

Empire Riverside Hotel

Topics include:

Nanomaterials

Nanotech for Lifescience

Nano Optics and Electronics

Nano Sensors and Energy

Sustainable Nanotechnology

and more

Enhance
your
network

Science,
industry,
politics

Increase
your
visibility

The NIBS 2020 annual conference offers:

- Latest results from science and development
- Matchmaking events with leading experts
- A dialogue platform for professionals and young researchers from industry and academia

NIBS 2020 comprises three topical days:

Motivation Day (Wednesday, June 24)

Innovation Day (Thursday, June 25)

Young Researcher Day (Friday, June 26)

NIBS 2020 in Hamburg, Germany

The fourth conference of the annual NIBS-series takes place at the Empire Riverside Hotel in close vicinity to the world-famous Port of Hamburg.
